

**DISTRICT COURT OF SHAWNEE COUNTY, KANSAS
THIRD JUDICIAL DISTRICT
Administrative Order No. 2020-12**

**TEMPORARY SUSPENSION OF JAIL SENTENCES FOR
OUT-OF-CUSTODY DEFENDANTS**

The Shawnee County Department of Corrections is experiencing an increase in COVID cases, and the corresponding need for testing and quarantine. All persons ordered to report to the jail to serve previously scheduled jail sentences during the time frame of September 9, 2020 through October 31, 2020 are subject to this Order.

Effective September 9, 2020, all previously-ordered jail sentences in the Shawnee County jail for out-of-custody defendants shall be postponed until after October 31, 2020. Any persons ordered by the court to serve a jail sentence between September 9, 2020 and October 31, 2020, should not report to the jail.

Any persons ordered to serve their sentence anytime between the dates of September 9, 2020 through October 31, 2020 are hereby ordered to contact Shawnee County District Court, Division 7, at 785-251-6310, to reschedule the court-ordered jail sentence. You must contact Division 7 during regular business hours, and within 72 hours of your previously-ordered duty to report. If you are represented by an attorney, you should contact your attorney about your rescheduled court-ordered jail sentence.

Failure to contact Division 7 within this time frame will result in an automatic rescheduling of the jail sentence. Rescheduled jail time can be found on the Shawnee County District Court's web site, shawneecourt.org, by clicking on **Search Court Records** or by contacting the **Clerk's office at 785-251-6714**. Failure to serve the court ordered sentence will result in a warrant for failure to comply with this **Order**.

IT IS SO ORDERED.
