All persons ordered to report to the jail to serve previously scheduled jail sentences during the time frame of **November 12, 2020 through January 8, 2020** are subject to this Order.

Effective **immediately**, all previously-ordered jail sentences in the Shawnee County jail for out-of-custody defendants shall be postponed until after **January 8, 2020**. You must contact Division 7 during regular business hours, and within 72 hours of your previously-ordered duty to report.
